The Truth About Leftist Liberals and Democrats

Are Leftist Liberals and Democrats moving America away from God?

It certainly appears that way. So what do these people support in America?

- Legitimize the killing of unborn babies.
- Asserting that the foundation of faith and marriage is unnecessary.
- Trying to restrict prayer and undermine Christianity.
- Trying to destroy the Sovereignty of America, a Nation founded under the laws and principles of God.
- Bearing false witness against innocent people.
- Eliminating the fair and due process of law, that a person is innocent until proven guilty.
- Disrespecting and condoning violence against people who believe differently than they do.
- Suppressing a person's will by taxing them into submission, and limiting their freedom.
- Idolizing power, lying and using deceit to obtain it.
- Supporting the integration of criminals and harmful drugs into our society.
- Justifying sexual immorality as being morally acceptable.

These are just some of the activities Leftist Liberals and Democrats use to move America away from God.

Is this what you want in the country that you live in?

DON'T LET THE WOLFS FOOL YOU !

[Galatians 5:19-21](#)

Now the works of the flesh are evident: sexual immorality, impurity, sensuality, idolatry, sorcery, enmity, strife, jealousy, fits of anger, rivalries, dissensions, divisions, envy, drunkenness, orgies, and things like these. I warn you, as I warned you before, that those who do such things will not inherit the kingdom of God.

May the grace of God be with you always --- Amen
