## Study Guides

**If you believe in God or desire to believe in God, its very important to read and listen to His words.**

Both the **Bible** and **Quran** are available on this website in easy to read indexed, large print text as well as an indexed voice-audio version. We provide an historical overview of the **Bible** and **Quran**, a **Bible Dictionary** and **Concordance** as well as an **Explanatory Dictionary of The Quran**.

**The Chronicles of Jesus Christ** is one of the most amazing books ever written in the world today. The chronicles are a collection of all the sayings of Jesus Christ taken from the New Testament Bible: Matthew, Mark, Luke and John. It contains an index page and 94 short books.

**The Hidden Gospels of the Nazarenes** gives a true account of the life and teachings of Jesus Christ. These gospels, written by Jesus' twelve apostles, his mother Mary, and his brother James are very revealing. Information about Jesus that was omitted from the Bible's New Testament by the Council of Nicea, and its '**correctors**', remain intact and unedited in these scrolls. The information is astounding.

The Book, **God Science and Life** offers and unique scientific perspective on God and His Kingdom.

**The Zohar** is considered to one of the most powerful spiritual tools on earth. Revealed more than 2,000 years ago, the Zohar is a spiritual text that explains the secrets of the Bible, the Universe and every aspect of life.

Our **Movie Cinema** offers an outstanding collection Bible movies that can help you learn about God and biblical history.

Our **Photo Gallery Slide Show** offers a stunning collection of God's amazing creations, starting with the creation of the Earth. **By viewing and studying God's creations, you can learn about His character, His nature and the depth of love and beauty He has within Him.**
