Spiritual Warfare Between the Kingdoms of God and Satan

In the universe as we know it today, most Theologians, Priests, and Pastors believe that there are two Kingdoms that exist within our celestial universe:

The Kingdom of God and the Kingdom of Satan; between those two Kingdoms, there is an on-going battle of spiritual warfare between benevolent and malevolent spirits.

Therefore, as Human Beings, in order to successfully engage in spiritual warfare against evil, we must first know and understand the opposition that exists between the Kingdom of God and the Kingdom of Satan.

God's Kingdom is eternal, both in time and in space. Since God Himself is from eternity to eternity, so also is His Kingdom from eternity to eternity. Furthermore, since God Himself is in light, so also is God's Kingdom in light. Its foundation is of truth, righteousness and love.

Satan's Kingdom and reign is not eternal. As to time, it is limited in time; as to space, it is limited to the air (the ether) and the Earth.

Furthermore, his kingdom exists in darkness, the exact opposite of the Kingdom of God. Its foundation is of lies, deceit and hatred.

Also, there is still another great difference: God's Kingdom is legitimate and sovereign, whereas the Kingdom of Satan is illicit.

The whole universe was created by God and is owned by Him; hence, God has the legitimate and legal right to reign. On the contrary, however, Satan's Kingdom was established by rebellion against God; hence, it is entirely illegitimate and has no moral governance.

In **(Isaiah 14:12-15 and Ezekiel 28:11-17)**, through the King of Babylon and the King of Tyre (both of whom had been instruments utilized by Satan), God relates the process of Satan's rebellion. Satan was originally an anointed Cherub, an Archangel named Lucifer, (meaning, Bearer of Light) who occupied a special place before God, and within His kingdom.

Satan became filled with vanity because of his stature and his many amazing accomplishments; he desired to exalt himself to equality with God. He rebelled against God and tried to overthrow God's authority, thereby establishing his own reign of authority, and since that event, there has existed in the universe the illicit and evil Kingdom of Satan.

[Satan's Kingdom](#) is the sphere of Satan's reign. The Lord Jesus once called Satan "the Prince of the World" **(John 14:30)**. This reveals that Satan not only has his Kingdom, but also reigns over it. Moreover, within his Kingdom are his messengers and minions of various ranks, many of which were Angels who followed Satan in rebellion against God.

Today these are the principalities, powers, rulers, dominions, and spiritual hosts of wickedness in the sea and air (the ether) with Satan being their head and leader, **(Ephesians 6:12; 2:2; 1:21)**.

It is also believed, that in Satan's Kingdom, there are many demons and evil spirits who serve as his [servants](#), and are directed to deceive and corrupt mankind. Based on the various records in the Bible, we can ascertain that before the six days of recovery work of the heavens and the Earth as referenced in **(Genesis 1)**, there existed a world which was inhabited by a group of intelligent living beings with spirits.

When Satan rebelled against God, they all followed him and rebelled together. Therefore God judged that world, on one hand by shutting off the sun and moon in the sky so that they gave forth no light, and on the other hand by destroying the Earth and all its living beings with water.

These living beings, judged as they were by water, became separated in body and spirit. These disembodied spirits who dwell in the waters of judgment are the demons, the evil spirits mentioned in the Bible.

Therefore, originally, there were three groups of characters in the Kingdom of Satan: First, Satan, the head and the ruler; Second, the angels who followed Satan in rebellion against God, and who served as ministers and officials to rule for him in the air (the ether); and Third, the disembodied evil spirits or demons, who acted as Satan's servants to run his errands and corruption on Earth.

Later, after Human Beings populated the Earth, Satan came to entice them, and succeeded in deceiving and corrupting a significant majority.

Many human souls became his Kingdom's subjects, these are the ones who were deceived, controlled, and abused by him, and fell into sinful iniquitous activity.

Therefore, there are four classes of personalities in Satan's kingdom today:

In the air (the ether), there are Satan and his messengers, and on the Earth there are his minions and servants, and his subjects, the innumerable demons and the myriads of people.

At the time when the Lord Jesus Christ was preaching the gospel on Earth, He met people everywhere who were possessed by demons.

In the world today, there are still myriads of demons that are maneuvering, possessing, and controlling people causing evil activities.

Although their dwelling place is in the ether, they like to seek an earthly flesh body where they can dwell. When we say a person is possessed by evil, we usually refer to the human body being possessed by a demon.

In summary, the kingdom of Satan consists of these four classes of personalities:

They are organized altogether into a system through which Satan usurps the air (the ether) and the Earth to the end that he may overthrow God's authority and set up his own Kingdom.

Therefore, this kingdom, organized by Satan's rebellious force is absolutely illegitimate and illicit, and has no laws of morality.

It was not till four thousand years after the fall of the human race, at the beginning of the dispensation of the New Testament, that the Lord Jesus Christ came forth and established His ministry and declared, ***“Repent yee: for the Kingdom of Heaven is now at hand.”***

Therefore, what Jesus had revealed, was that before His coming, it was the Kingdom of Earth, the Kingdom of Satan, wherein Satan ruled, and held sway; but now it is the Kingdom of Heaven, the Kingdom of God, that is coming upon the Earth to reign.

Later He taught the disciples to pray, “Let thy Kingdom come, thy will be done on Earth, as it is in Heaven.”

The full accomplishment of this event will began in the future, at the sound of the seventh trumpet as referenced in (**Revelation 11:15**).

Then the kingdom of this world will become the Kingdom of God and Christ. Thus, God’s Kingdom will practically and completely come upon the Earth.

Before that day arrives, the period in which we are now living is the time for the people of God to fight for Him on Earth.

From the time the Lord Jesus Christ came forth to minister, and through the time of His second coming, those people that have chosen to believe in God, that have faith in Him, that have resisted iniquity and have done His works, those are instances and acts of spiritual warfare.

All acts of spiritual warfare by humans against evil are blessed by God.

Its God's desire to rescue all people who were deceived and captured by Satan, and to recover the Earth which was usurped by Satan and his demons. Therefore, God will use those that belong to Him, those people that have established themselves as spiritual warriors of God.

For those people, it is the strength of their faith, the words of God, the Holy Spirit, and the power of Jesus Christ that is their armor, and is the weapons they use to battle against Satan and his evil demons.

This rescuing and recovering is, according to what the Lord Jesus revealed as written in the New Testament Bible, (Matthew 12), is the warfare between the Kingdom of God and the Kingdom of Satan.

May the light of wisdom shine down upon you --- Amen.
